Home Features

Living Area	234.8m ²
Porch Area	5.8m ²
Total Floor Area	240.6m²

Designer Notes:

Combining latest trends with great design has resulted in this stunning five Bedroom home. A separate Home Office and Theatre Room are bonuses, but the feature is the open-plan Living/Meals/Kitchen and huge Outdoor area.

A large Master Suite with luxurious double vanity Ensuite complete the perfect layout here and the wide frontage ensures plenty of street appeal.
