Designer Notes:

If you have a narrow lot in mind look no further than The Hampton. This 2 storey design allows wide open spaces in the living areas, continuing the relaxed and welcoming feel with stacker glass doors to the Alfresco. This home makes entertaining a breeze, even including a downstairs Powder Room for your visitors, but also features a separate Living area in the Media room, giving you the best of open plan living plus a cosy space to get away. Four good sized Bedrooms upstairs with a large Bathroom and Ensuite cater for all the family's need. The Hampton offers a great choice for inner city living.
