Designer Notes:

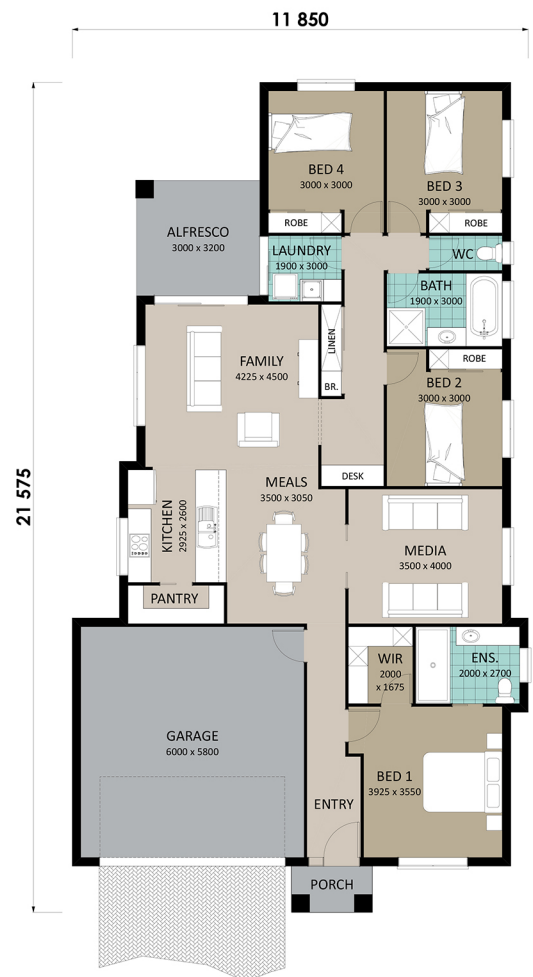

Make yourself right at home in The Helena, a home with all those features which make a house a delight to live in every day, including a large Walk-in-Pantry, practical Computer Nook and separate Laundry.

Enjoy your private Master Suite, with generous Walk-in-Robe and double shower in the Ensuite.

Open-plan living areas create a feeling of spaciousness, and flow effortlessly out to the under roof Alfresco.

There is plenty of room for everyone in the family to enjoy their leisure time with the separate Media.

This design works hard to accommodate your lifestyle.
