Home Features

Living Area	270.1m ²
Porch Area	1.8m ²
Total Floor Area	271.9m²

Designer Notes:

With the luxury of five Bedrooms, two Living areas and a Kid's Retreat this home satisfies the needs of every large family. We have designed the spaces to allow quiet areas to escape to, but the real feature is the huge Living area which as a wrap-around style, allowing view out into your garden.
